

SAFETY PLANNING FOR VISITS AWAY FROM HOME

Not all children have supervised visits to a violent parent. Making them feel safe when away from on visits is a priority

MAKE SURE YOUR CHILD KNOWS:

QUESTIONS

how to respond to questions they are asked about your activities. They may feel torn between loyalty to you and to their other parent

DRUGS AND ALCOHOL

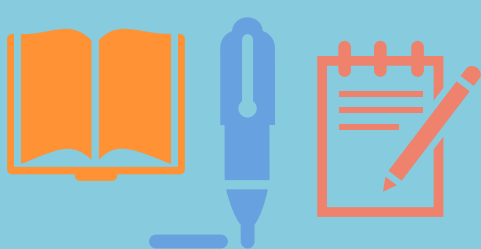

about the impact drugs and alcohol has on their parent and the coping strategies they need if necessary

CALLING FOR HELP

how to call you or other family members who can help. They should know how to use a phone.

RINGING 000

how to call 000 and what to say: My name is..... My address is My Mum/Dad is scaring me.....
